Tart Shells & Vol au Vents

Tart Shells and Vol au Vents have arrived just in time for the party season. These will make entertaining a breeze. Perfect to have on hand when quick canapés are needed. The Tart Shells can be used for either sweet or savoury fillings (we devour them with Dulce de Leche!). Vol au Vents never go out of style, whether you tend towards the old fashioned

chicken and asparagus or want to bring it into the 21st century with a spicy Thai prawn or shredded chipotle pork filling, the options are endless.

Just fill and serve!
