GET SAUCY IN THE KITCHEN

Moredough Kitchens offer a fantastic range of shelf-stable mayonnaises that are not only free from preservatives and additives, but also sugar and gluten.

The range consists of a creamy Whole Egg mayonnaise, Dijon and Honey mayonnaise that is the perfect accompaniment for cold cuts of meat, Herb Aioli that completes a BLT sandwich, while the Tartare and Cocktail sauce is perfect for a seafood platter. The tasty range is complemented by the Béarnaise and Hollandaise finishing sauces.
