A LITTLE CRUNCHY SLICE OF ITALY

Italian for little toasts, Giuseppe crostinis are sliced, brushed with olive oil and toasted to crisp perfection. Perfect with any of the Giuseppe pestos for a chip and dip, the crostinis can also be crunchy snacks on their own, or crunched up to create croutons and scattered over soups and salads.

Sprinkled with a little touch of magic – watch the packet disappear before your very eyes.

Available in the following flavours – Traditional, Rosemary & Sea Salt, Black Olive, Parsley & Garlic, and Cheese. 🍷
