GREAT, TASTY ADDITION TO THE PANTRY

A new and tasty addition to any pantry, Moredough Kitchens' Premium Shellfish Stock is a wonderful ingredient to easily add flavour to any dish, especially specialties like fish curry or bouillabaise.

It's incredible versatile and can be easily incorporated into other make-at-home dishes like the Spanish specialty dish paella.

The Moredough Kitchens Premium Shellfish Stock comes packaged in a convenient 500ml pouch; just like their other great stock flavours; beef, chicken, vegetable and veal.
